HAND SIZE CHART

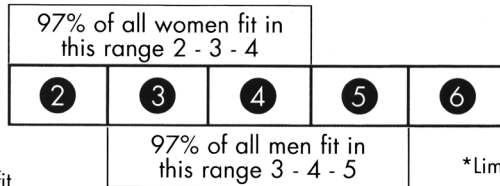

The Handeze Therapeutic Craft Gloves are manufactured from a pure Lycra fabric and treated with a special Med-A-Likra® process. They are highly stretchable in all directions to insure comfort and full dexterity. The better the fit, the better the effects. Follow the two-step instructions below to find your size.

STEP 1.

Place your right hand palm down with first finger along this line.

STEP 2. Line up hand knuckles on this line

The number to which your hand falls closest is your HANDEZE Glove size.

This chart is a size indicator only. Consumer is responsible for final fit.
