Next round: *K to 2 sts before marker, yo, skp, sm, rep from * around.

Next round: Knit.

CROWN

Switch to dpns to shape crown.

Round 1: *K to 3 sts before marker, yo, sk2p, sm, rep from * around.

Round 2: Knit.

Rep these 2 rounds until 16 sts rem.

Next round: *K2tog, rep from * around.

Cut yarn, leaving a 6" tail. Use a tapestry needle to thread yarn through rem sts. Pull to close. Bring yarn through all sts again and weave in the end to secure it.

Cut millinery wire to approximately 50". Form a circle with the wire, overlap the two ends by about 5", and hold in place with clothespins or a piece of tape.

Using crochet hook and yarn, single crochet in each st around the hat brim (single crochet twice in each eyelet), capturing the wire in the crochet casing. To do so, attach the yarn to the hat, then *insert the crochet hook from RS into 1 st on the edge of the brim, bring the hook under the wire, wrap the yarn around the hook and pull through, bring the yarn over the wire, wrap the yarn around the hook and pull through both loops.

Rep from * until you have concealed all but 2" of wire. Adjust the size of the wire< circle so the brim lies fl at. Trim the ends of the wire, if necessary, and securely tape the overlapped ends to secure. Continue crocheting to fi nish encasing the wire. Cut yarn end and pull through last loop to secure.

Weave in ends.

With a tapestry needle, on the WS of work, thread elastic through a row of sts at the base of the crown. Adjust to fi t comfortably on the head. Run elastic through another row of sts, double-check the fi t, and fasten off the ends of the elastic.
