## NOTE

Edging of shawl is worked first, then stitches are picked up along side edge for shawl body. Shawl Body is shaped using short rows. When joining the second cake of yarn, start the new cake with the same shading as the old cake. For instance, if you ended with the light end of the old cake, join the light end of the new cake. Sample was worked starting with the dark end of the first cake.

## SHAWL EDGING

Cast on 3 sts.

Begin working from chart. Work Rows 1–21, then repeat Rows 22–39 a total of 15 times, then work Rows 40–57.
