Sew sides of gussets to ends of bag matching markers with sides of bag. Note: Ease in any fullness. When felting, any puckering will be eliminated. Felt bag by washing in washing machine using hot water and soap. It may be necessary to run through the cycle more than once to reach the desired measurements. Remove from washer, shape by hand and allow to air dry. Trim extra fuzziness if necessary. Using tapestry needle or awl, make holes around entire bag at each side of Reverse St st ridges 2" down from top of bag. Cut cording into 3 equal pieces. Hold 3 pieces of cording tog and thread through tapestry needle. Beg and end at center front, weave cording in and out around top of bag. Thread 1 cord through bead, then tie 3 cords tog at end. Repeat on other end of cords. Tie as in photo.
