Birch

knit in [Jasper™](#)
Skill level: [Easy](#)

Birch is a quick and easy vase project, made by simply wrapping a glass container with yarn.

[PDF Pattern Instructions](#)

(If you can't open this PDF file you need Adobe Acrobat Reader. Get it [here](#).)

MATERIALS

1 Hank [BERROCO JASPER](#) (50 grs), #3810 Copper Silk
1 straight-sided glass approximately 3" across x 8" high (or desired size)
Hot glue gun or craft glue

NOTE

No knitting or crocheting skills are needed for this project.

GLASS COVER

Glue one end of yarn to bottom side edge of glass. Covering glued end, wrap yarn smoothly around entire edge of glass to top edge. Cut yarn leaving a 6" long end. Tuck end in using a small amount of glue under top wraps.
